

PRODUCT MANAGER (f/m)

Vienna/fulltime

About Sodexo and this position

Sodexo Benefits & Rewards Services is market leader for paper-based employee vouchers with the ambition to reinforce this positioning in the card-based (digital) payment environment. BRS Austria has an exciting job opportunity for an experienced Product Manager within the marketing team responsible for the management of card products and digital assets. This versatile job opening holds room for maximum action and involvement to drive the development of the product portfolio and contribute to our future success. The ideal candidate has strong innovation skills, deep understanding of our customers, the ability to build successful value propositions and the drive to see projects through from the planning phase right down to the successful implementation and beyond. The job will include some international exposure by way of supporting product developments in other European countries.

Your main responsibilities will include:

- Being in charge of planning, launch and evolutions of (payment-related) digital products (e.g. prepaid cards), features (e.g. mobile payment) as well as assets (e.g. consumer app, client portal etc.) based on customer needs and business value
- Monitoring and analysing the market for new developments, needs and opportunities and preparing appropriate responses
- Acting as the voice of the customer
- Building value propositions and managing backlog (in terms of prioritisation), compiling all necessary requirements and specifications into detailed descriptions of features and user stories
- Working closely with various departments such as finance, legal, IT, operations, customer care etc. and competence centres such as the payment excellence team in order to
 - build business cases
 - ensure legal compliance
 - co-build sprints & iteration planning and monitor development progresses,
 - analyse and incorporates feedbacks from field tests etc.
- Managing the digital product and asset portfolio
